

Leadership Evaluation Quiz

Scoring: Using a scale 1 - 5 with 5 highest

Insert number between 1 - 5 for column A and B

Total both columns and subtract column A from B, this is your score

Score	A	Score	B
	I always look for ways of improving the work of the crew		I don't care how the crew does its work.
	I help people right away if they have problems		If somebody has a problem. It's their responsibility to ask for help.
	I like a relaxed feeling among the crew. I don't feel I have to be running everything all the time.		I keep everyone on their toes. If I let down, everybody would stop working.
	I give crew members jobs that will help them learn.		I do not challenge crew members to learn. I only give simple jobs.
	I always know what the crew members should be doing.		Crew members can figure out what to do. That's their responsibility.
	I keep them on track.		If they can't stick to the job, that's their fault.
	Crew members don't have to check with me about everything. They know what they can do on their own.		Crew members should always check with me first. I make all the decisions.
	I keep everyone on the crew informed of the things they need to know.		If they need to know something, they will tell each other. The word will get around
	I am friendly, encouraging, and sympathetic with the members of the crew.		I'm not responsible for their feelings. We're here to work, not to have a good time.
	I let people do their work. I don't stand over them.		I watch every move they make, otherwise nothing would happen.
	I set a tone of professionalism and respect among the crew		I don't care how the crew feels. That's not my job.
